

MORIAH PRIDE

The Town of Moriah Town Board is working hard towards Economic Development and growth for our community. We take great pride in our community and all it has to offer for current and future residents, businesses and visitors.

The Town of Moriah is a beautiful small town surrounded by some of the most outstanding natural beauty in the country.

We have the potential to be a destination spot, not only for tourism, but also a business center.

There are many things we, as a community, can do to bring Moriah to the forefront of the Adirondacks.

Doing so, one step at a time, the Town Board has recognized step one is to:

TAKE PRIDE IN THE BEAUTY OF OUR SURROUNDINGS! CLEAN UP THE TOWN OF MORIAH!

ALL Appliances are free to get rid of at the transfer station

(with the exception of old TV's with picture tubes, those are \$10.00)

including refrigerators, freezers and most metal objects for Town of Moriah Residents.

**If you have questions as to what is free
you can call the transfer station at 942-3072.**

Therefore, pursuant to New York
State Property Maintenance
Code the law will be strictly
enforced and supported by
the Moriah Town Board
and Town Justice System.

LET'S
ALL BE
MORIAH
PROUD!
