Others Present: Bill Trybendis, Robert Stevenson, and Rose French-Town Clerk

Councilman Salerno called the public hearing to order at 5:45pm; he then read the legal notice calling for the public hearing.

Councilman Salerno stated our Insurance carrier has suggested that we make these changes. It will amend Local Law #1 of 1978. An example would be if a town road had a pot hole in it; the person or persons would have to write a letter to the Town and the Town would have to address the problem. Councilman Salerno stated there is a resolution at the end of the regular meeting regarding this Local Law. He asked the Board if they had any questions; Councilman Brassard stated for example if there is a pot hole in a town road the Town has 24 hours to fix the problem or hazard it. Councilman Salerno stated the Town needs written documentation of the problem for the insurance. There were no other questions.

The meeting adjourned at 5:48pm.
