The Supervisor opened the meeting at 5:45pm. He read the legal notice calling for the Public Hearing.

The Supervisor gave some background on the franchise agreement. Spectrum has to have an agreement with all Towns. Franchise agreement has not been renewed in 15 years. Town Attorney William Tansey reviewed agreement; no changes needed; Spectrum pays property tax on the poles their wires are on; not legal otherwise. The Supervisor stated he gets a lot of complaints because they are the only game in Town; he understands the frustration; the County has a task force; they are actively pursuing other companies.

There were no comments from the Town Board or the Public.

The meeting adjourned at 5:47pm.
